Description

*** THIS ITEM IS FINAL SALE ***

This Gang of lethal deviants with bright pink skulls may very well be the result of Gomez's dimension jumping, we're not sure. What we do know is that these three hooligans enjoy wreaking havoc, making a mess and leaving without cleaning up, and have a penchant for punk rock.

Each Pink Skull is outfitted in a black and white striped shirt, jeans, and sneakers they may have vicked from a certain Void operative that they've run into previously. Other items they might not have a receipt for - Johnny caps that stink of rebellion and flight jackets with a P.S.C.C. top rocker and "Die Free" bottom rocker, written in Chinese. Included are 2 head portraits because 2 skulls are better than 1!

The Chaos Club is well stocked with mayhem making gear including baseball bats, Molotov cocktails, pipe wrenches, switchblade knives, handcuffs, swords with sheaths, and real metal chains. Just in case they get into a brawl or have to fix the sink.

And what the hell is Rumble Society? Don't worry about that...but welcome to the club.
