Description

From the massively popular Bioshock 2 video game is a fully posable, 13 inch figure Subject Delta. This highly detailed figure features weathering effects to match perfectly his appearance in the game. His arms and legs are covered in a fabric material and the head lamps really light up.

Subject Delta would not be complete without his Little Sister companion. Little sister stands just over 5.50 inches tall and is dressed in a finely tailored fabric costume. She includes her harvesting tool and alternate hands.
