### Description

Get ready for a night of Carnage! Retailers participating in Halloween Comicfest 2020 will have an extra-scary offering this year, as Carnage goes glow-in-the-dark for one night only! Cast in glowing red material with black paint details, Carnage will light up the night with fright in this approximately 9" diorama. Cast in high-quality PVC, this 1/8-scale diorama comes packaged in a full-color window box and is limited to only 1,500 pieces.
