Description

NECA announces one of the greatest slashers from the '90s as part of the Ultimate figure line: Ghostface!

Ghostface stands approximately 7 inches tall dressed in an all fabric robe for full poseability, and comes with a disturbing amount of sharp objects—3 knives and a huge scythe, along with his voice changer.

This Ultimate version also features 4 interchangeable heads, including the original mask, the bloody variant, a zombie mask, and a glow in the dark mask—all packaged neatly in a window box.
