Description

Legends Exist Regardless of the Time

Through generations, there has always been a force of justice that agents of crime, chaos and evil have contended with. Every incarnation of Batman that existed throughout time stood as a beacon of hope and a reflection of the age it is a part of. Utilizing and innovating the technology available, Batman is ever vigilant even in lawless times. These figures provide a chance to see the concept of the vigilante we know now envisioned through intriguing epochs of time.

"A Batman will always exist, as the Dark Knight is Timeless."

The Timeless series features interpretations of various eras and settings and projects them onto the character. This time, we bring you a combination of a fearless Spartan infantry soldier and our Dark Knight hero: BATMAN. Heavy armor that shows an overwhelming presence in battle, along with battle scars and damage that draws the viewer in to evoke the intensity of battle. Each piece of equipment expands upon the regal imagery and foreboding visage. A brawny physique and dark color brings together the iconic characteristics of a Spartan warrior and BATMAN, in a finish reminiscent of a fine sculpture that captivates the viewer.

Figure also includes display stand and interchangeable hand parts.
