Description

- These robots transform into cars, bugs, dinosaurs, and more!
- Each mini-vehicle can interact with Prime Masters mini-figures (sold separately)!
- Autobots come ready to fight the Decepticons - or try to maintain the peace on Cybertron.

Get ready to build something big with Transformers Generations Power of the Primes Legends! Each individually packaged figure has two amazing modes, going from vehicle to 4-inch heroic Autobot or evil Decepticon. Some can interact with the Prime Masters as pilots! Each figure includes figure, collector card, and instructions. Ages 8 and up.
