Description

King Kong, the ruler of Skull Island who terrorized 1930's New York is set to reign over the world of collectibles.

Immense in detail and size, this king-size Kong stands at a towering 18" tall. He comes complete with 3 interchangeable head portraits, each showcasing a different expression, and 4 interchangeable hands.

Featuring 10 points of articulation, the ruler of Skull Island can create a thrilling array of dynamic and defiant poses.
